1. The first part of the paper is devoted to a
discussion of the general principles of the
theory of the structure of the atom.
The author shows that the theory of the
structure of the atom is a special case
of the more general theory of the
structure of the nucleus.
The author then proceeds to a discussion
of the structure of the nucleus, and shows
that the theory of the structure of the
nucleus is a special case of the more
general theory of the structure of the
atom.
